100 stories
Thank you to all the families who came in and read stories with their child. We were only 4 books short of our target. Scholastic books are holding a similar challenge soon which we would like to participate in. Once we reach the 100 target our kindy will get a free book. More details soon.

Closure Day
Reminder: No kindy on Thursday 16th June. Staff will be attending a workshop on this day to further our knowledge of literacy assessment.
Please make other arrangements for your child on this day.
We are sorry for any inconvenience.
There is also a public holiday on Monday 13th June.

Excursion
You will all have received a notice about our excursion. Please ensure that you have returned your consent form and money by the due date. We still have some places left.

Kindy fees
Kindy fees were due at the end of last week. If you have not paid your child’s fees we ask that you settle the account as soon as possible. Your fees are used to purchase materials for the children.
Thank you to the families who have already paid in full.

Talk and Tour
Salisbury Schools will be hosting a talk and tour on Wednesday 8th June, 9.15 - 10 am.
This is a great opportunity to find out more about your local school. All families are welcome to attend.
This will also be the first transition visit for those children starting school at the beginning of Term 3.
If you have not yet heard from your chosen school it may be a good idea to give them a call.

Lost a DS?
We have a DS console at kindy. It was left behind a few weeks ago. Please see a member of staff with a description please.

Toys at kindy
You should have received a note in your child’s pocket about toys and belongings at kindy. We have had an initial meeting with the children around this issue to discuss their views. We intend to have another meeting with the children to vote on whether toys at kindy are a good idea. Please take the time to discuss this issue with your child and give us some feedback about your conversations.
